Variety of grapes: Syrah

Aging: 15 months in fudre of 5000 litres

Alcohol: 13,5%

Bottling date: January 2024

Production: 6600 bottles

Certified organic wine

GRANDES PAGOS Ð ESPAÑA

It is a blend of the best plots, corresponding to the Paraje Casa Blanca. Our area is noted for its limestone soils, which have less clay, are shallower and less productive. This gives the wine greater elegance, structure and minerality. On the palate you can appreciate the black fruit with balsamic touches, a meaty and bacon flavour provided by the Syrah variety.
